

This year, we have organized special events that will take place throughout the summer. Below is some information about the events followed by the dates. Events can be cancelled on the day due to bad weather, white caps or strong winds.

We are looking forward to seeing you there!

St. Jean & Canada Day

Weekend schedule on a weekday!

Paddling by Moonlight

Paddle out to Pointe-Claire Village or Dorval Island along shore with only the moon as your torch! Sign up quick, there is limited space.

(And glow sticks.)

Early Bird Paddling

The waters of Lac St. Louis have the calmest waters when most people are just waking up. Wake up a little earlier and have a leisurely paddle at 6 a.m. A great way to start your day!
